Deception Island

Just off the coast of the Antarctic Peninsula, the South Shetland Islands offer a dramatic introduction to the polar world — a place of black sand beaches, glaciers, and surreal silence. Among them, Deception Island stands out with its flooded volcanic caldera and steaming shores.

Whalers Bay, Deception Island

Step into an active volcano where the geothermal-heated waters meet icy seas. Once a whaling station, this haunting site now offers ruins, steam vents, and even the chance to take a (very brave) polar plunge.

Highlights

Antarctica & the Frozen South

Please Note: Our Antarctica experience is strictly limited to scenic cruising along the Antarctic Peninsula. Due to international regulations and operational constraints, no landings or disembarkations on the Antarctic continent or surrounding islands will take place. This voyage offers the unique opportunity to witness Antarctica's stunning landscapes and wildlife from the comfort and safety of the ship.
